

Calf Birth to Weaning Workshop

Thursday, October 30, 2014 10 am - 2:30 pm
University of Florida Dairy Unit
13200 NW 59th Drive, Gainesville, FL
Registration Fee: \$25 (for lunch and course materials)
Pre-register before October 27

UF | IFAS Extension
UNIVERSITY of FLORIDA

From I-75: Take Exit 399 (Alachua), go south/east on US 441 (SR 25) approximately 6 miles, then turn left onto CR 237 (Hague), proceed 0.9 miles to the Dairy Unit entrance on the right.. Look for blue and white UF sign.

If you raise your own calves you know how essential it is to get them off to a strong start.

Dr. Klips Galvao will be workshop instructor (both in English and Spanish). He will focus on the how and why of strategies for raising healthier calves, so they will ultimately be more productive cows. Anyone involved in calf raising is welcome to attend.

Plan to meet at the UF Dairy Unit classroom. We will stay there through lunch, which will be provided. After lunch we will proceed to the Dairy Unit calf raising area for more instruction.

Make Checks Payable To: Suwannee County Extension - \$25/person

Please mail form and payment before October 27 to:

Dr. Mary Sowerby

Suwannee County Extension Office, 1302 11th Street SW, Live Oak, FL 32064

or call Pam at 386-362-2771 to make your reservation, then bring your check to the workshop.
